

FESTIVAL OF FISHKEEPING 2009

HOME BRED AND SURPLUS STOCK FISH SALES

Following the success of last year's home-bred and surplus stock fish sales Stand, we are staging it again this year.

As last year, only residents staying at the Festival will be eligible to sell their fish from these tanks, but one change from last year is that due to the cost of providing this new set-up we are having to levy a small hire charge of **£5 per tank** as this Stand is not sponsored.

Due to demand, we are limiting the maximum number of tanks to three per person. All tanks are 300mm x 200mm in size, they will be filled with treated fish safe water, heated, and mechanically filtered (air powered using zeolite and carbon media) and all tanks have cover glasses.

We shall be looking for some of the owners of the fish for sale to help man the Stand on a rota basis over the weekend. Clive Walker of the Mid-Sussex Society has kindly offered to organize this.
